

# Spivey Hall Friends Sponsorships

Friends Sponsorships recognize generous charitable gifts made to Spivey Hall through the Clayton State University Foundation. Sponsorship gifts are tax-deductible as permitted by law and may be made in a single payment or multiple payments.

**Spivey Series Concert Sponsorships** start at \$2500. **Season Sponsorships** start at \$50,000. Priority for Season 35 is given to past Concert Sponsors **through June 12, 2025**. We welcome new Sponsors, and Spivey Hall will gladly try to match up Friends willing to share a sponsorship.

Season and Spivey Series Concert Sponsorships offer an array of customized benefits, including recognition in all Season 35 concert program books and on Spivey Hall's website. Individuals, groups, and organizations may be Friends Sponsors. Sponsors may elect to be anonymous. All Season Sponsors and Concert Sponsors receive an invitation to attend the Sponsors Dinner hosted by Spivey Hall's Executive & Artistic Director, Katie Lehman, and Clayton State University President Dr. Georj L. Lewis.

For most Spivey Series concerts, sponsors may also add a reception. **Reception Sponsorships** start at \$1,000. Guest artists and Friends are invited to attend, and with the permission of the sponsor many are open to all patrons. Silver and Gold Concert Sponsors have the first option to add a reception to their sponsorship. *Platinum Concert Sponsorships include a reception if desired by the donor(s).*

**New compositions commissioned by Spivey Hall** may be sponsored at the bronze level, with all associated benefits. When composers are present in person, every effort is made to allow sponsors to meet with the composer.

**Spivey Hall Education Honor Ensemble Concert and Master Class Sponsorships** start at \$1,000.

To discuss possible sponsorship or for more information, please email **SpiveyHallFriends@clayton.edu**. Friends will receive written confirmation of sponsorship agreements.
