

Spivey Hall Friends Sponsorships

Friends Sponsorships recognize generous gifts made to Spivey Hall through the Clayton State University Foundation. Spivey Series Concert and Commission Sponsorships begin at \$3,000, and Season Sponsorships begin at \$50,000. Spivey Connects and Young People's Concert sponsorships begin at \$1,000.

Concert sponsorship levels:

- Platinum plus, \$15,000
- Platinum, \$12,000
- Gold, \$9,000
- Silver, \$6,000
- Bronze, \$3,000

Priority for Season 36 is given to past concert sponsors through June 11, 2026. We welcome new Sponsors, and we are happy to match Friends interested in sharing a sponsorship.

Sponsorships offer a range of customized benefits, including recognition in all Season 36 concert program books and on **spiveyhall.org**. All Season and Concert Sponsors are invited to a Sponsor Dinner hosted by Executive & Artistic Director Katie Lehman and Clayton State University President Dr. Georj L. Lewis. Individuals, groups, and organizations may participate, and sponsors may choose to remain anonymous.

Post-concert receptions for Spivey Friends and guest artists are a wonderful part of Spivey Hall life. For most concerts, sponsors may host a reception if they choose. Platinum-level concert sponsorships include a reception provided by Spivey Hall. All other sponsors are asked to cover reception costs. With sponsor approval, many receptions are open to all patrons.

Gifts are tax-deductible as permitted by law and may be made as a single payment or installments. To learn more or discuss sponsorship opportunities, please contact **SpiveyHallFriends@clayton.edu**. Written confirmation will be provided for all sponsorship agreements.
